

Provide support to Local and Church Institutions

Organization Name:	Latin Convent , Holy Family Church, Ramallah	Project. No:	J2454
Proposal Subject:	Finishing work for a new meeting/activity room for parish center		
Organization Profile:	No. of beneficiaries 450 Christian families	Total Request	€15,000.00

The Latin Convent - Holy Family Church was established in Ramallah in 1856 to serve Ramallah's large Christian community. Today, the Church operates a pastoral center that provides a variety of religious and educational activities for children and adults of the parish in addition to their families, totaling 450 Palestinian Christian families. This includes an active youth group, a scouts group, and the legionnaires of Mary.

Project Description

Church's pastoral center has been used extensively for meetings and parish activities for several years. Like most buildings, the parish center has a problem of high humidity and mold and mildew build-up is a serious issue as it poses as a health risk for children and young adults. The existing room lacks proper ventilation. Instead, the parish priest is requesting assistance to rehabilitate another unused space that would not only provide adequate ventilation but also provide a much larger space for all parish meetings and activities. The unused space requires plastering, tiling, painting and electrical works. Furniture is also needed for the new meeting and activity room. The total estimated cost is \$12,000 for the project where the parish will contribute around \$2,000. CNEWA-PMP is requesting a total of \$10,000 from KHS-Holland.
