OrganizationProfile

After much debate, the Latin Patriarchate of Jerusalem (LPJ) decided to end its financial support for the Daughters of St. Anne Center and its work to host female university students attending university. Inspired to carry forth with their work for these needy female students, the Sisters decided to continue hosting 13 female university students in a section of their convent. The female students, who come from isolated West Bank areas where access to Bethlehem is very difficult, are provided with a modest shared living space with a bed, study area and a healthy meal. The Sisters managed to raise funds to rehabilitate the students' living quarters.

ProjectDescription

Through support of various donors including CNEWA - Pontifical Mission, the Sisters were able to rehabilitate and remodel all of the 'dormitory rooms' that currently serve 13 female students attending Bethlehem University. The Sisters have also managed to furnish 7 out of the 13 rooms with existing furniture, while 6 rooms are furnished with used furniture from a recent donation by a hospital. Although generous, the donated furniture did not suit the needs of the students. The Sisters needed new student-style furniture for the rooms including 6 single beds and 5 mattresses, 6-night stands and 10 desk chairs. With the generous donation of 5,150 Euros (\$5,686.00) from KHS-Holland, PMP was able to fully furnish these rooms with comfortable furniture made especially for students.
