

# Provide support to Local and Church Institutions

<b>Organization Name:</b>	Home Notre Dame de Douleurs - Abu Dis (Home for the Elderly), Jerusalem	<b>Project. No:</b>	J2633
<b>Proposal Subject:</b>	Purchase 15 medical beds for the elderly residents		
<b>Organization Profile:</b>	<b>No. of beneficiaries</b>	<b>Total Request</b>	<b>€22,500.00</b>

The Home Notre Dame de Douleurs was founded in Bethany in 1957 by the congregation of the Filles De Notre Dame Des Douleurs of Tarbes (France). The Home Notre Dame provides residence care for 45 residents, which include amenities such as housing, healthy meals, basic medical treatment as well as spiritual guidance. Since the Separation Wall was constructed in Abu Dis and separated its residents from the rest of the West Bank, the Home Notre Dame de Douleurs is considered by local Palestinians as the only nursing home in the immediate area (behind the Separation Wall). Nevertheless, the home remains central for the care of Palestinian elderly who are unable to continue to live in their homes and whose families have limited choices to place their relatives. It is also important to note that elderly Palestinians are not able to be placed at Israeli nursing homes due to conflicts with ID issues as well as language barriers (most elderly have never learned Hebrew).

## Project Description

Home Notre Dame de Douleurs in Abu Dis requires purchasing 15 new medical beds. Medical beds, are required by the regulations of the authority, for elderly people with chronic diseases and ability restrictions who are bound to stay in bed for prolonged periods of time. It is possible to lean or to lift the bed, which is very useful for the hygiene of the residents. Moreover, the safety barriers are very useful to prevent people from falling during the night. HNDD already have some of those beds, but the number of residents is increasing and they need more beds to welcome all of them. The estimated cost per medical bed is approximately 1,500 Euros. Total needed for 15 beds is estimated at 22,500 Euros.
